Statute of Limitations  You have one (1) week from the day any partic-
                        ular graded exam is made available to you to appeal the grade you
                        received. After one week, we will assume that you believe the grade
                        that you got is the correct one. After one week, grades are unchange-
                        able, fixed and permanent.
