Micro Projects

- Sort of like extra credit.
- Each one you complete will replace your lowest quiz or homework grade.
- These are “challenge problems”
 - They are more work than the points suggest.
 - They are meant to be interesting and fun.
- Submit them to me for grading via email:
 - Subject: 141 Microproject #n
 - If you get the subject wrong there is no guarantee I will see them.
- Due 2 weeks after they are assigned.
