Labs  Labs are due Sundays at 4:30 PM on the dates indicated. You need to turn in the final report and the associated implementation by 4:30 PM, electronically through moodle. You can work in teams of two on all labs except for the first which needs to be done individually. You can use the labs in EBU3B in Rooms B250, B260, B270.
Late Lab Policy Labs turned in after Sunday 4:30 PM are subject to a late lab policy. Each late day reduces the total number of points available for the lab by 20%. As each late day reduces your grade by 20%, no late lab will be accepted after 4 days the labs are due, i.e., after Thursday 4:30 PM of the week the particular lab is due. You get 4 late lab days to use in the most beneficial way to your grade with no penalty. Additionally, you can turn in your first Lab 4 days late, i.e. by Thursday, October 16, 4:30 PM without it counting against your 4 late lab day grace period. Lab 6 cannot be turned in late; any lab turned in after Sunday, December 14, 4:30 PM will receive a grade of zero.

Evaluation Labs 1 and 6 each count for 8% of your grade; each of the remaining four labs counts as 16%. The remaining 20% of your grade will be contributed by your final.

Integrity All work in the final exam must be strictly your own; all work in any of the labs must be your own or possibly of your teammate. You must neither copy from nor provide assistance to anybody else. Each student is assumed to be familiar with the UCSD Policy on Integrity of Scholarship as described in the UCSD General Catalog. Be sure to discuss any questions about these policies with the instructor.
