Assignments Homework problems will be assigned on April 10, and May 8 and 29; only a selected subset of problems as indicated on the homework will be graded. Homeworks will be due at 3:00 PM on April 30, May 23, and June 8, respectively; you need to turn in your solutions for the homeworks to be graded electronically by the deadline; any homeworks turned in after the deadline will not be read and will receive a grade of zero. You can work in teams of two on all homeworks. Solutions to the homework problems will be covered in the discussion sections.

Pop Quizzes There will be a number of unannounced quizzes given in lectures and discussion sections. The lowest grade on the quizzes will be dropped, with the remaining quizzes contributing equally to the 10% portion of your grade.

Integrity All work in any exam or quiz must be your own; you must neither copy from nor provide assistance to anybody else. Each student is assumed to be familiar with the UCSD Policy on Integrity of Scholarship as described in the UCSD General Catalog. If you have any questions about these policies, be sure to discuss them with the instructor.
