Labs  Labs are due Wednesdays at 10:30 AM on the dates indicated. You need to turn in the final report and the associated implementation by 10:30 AM, electronically through moodle. You can work in teams of two on all labs except for the first which needs to be done individually. You can use the labs in EBU3B in Rooms B250, B260, B270.
Late Labs  Any labs turned in after the Wednesdays 10:30 AM deadline and before the subsequent Sundays 10:30 AM four days later will be considered as late labs; no lab submissions will be considered if turned in after the subsequent Sunday 10:30 AM. There is no penalty for a late lab for the first lab. The last lab cannot be turned in late; any lab turned in after the Wednesday September 3, 2014, 10:30 AM deadline will not be accepted and will receive no credit whatsoever. Of the remaining 3 labs, you get one late lab submission with no penalty whatsoever. Any additional late labs will receive no credit whatsoever.

Evaluation  The first lab counts for 12% while each of the remaining four labs counts as 16% of your grade. The remaining 24% of your grade will be contributed by your final.

Integrity  All work in the final exam must be strictly your own; all work in any of the labs must be your own or possibly of your teammate. You must neither copy from nor provide assistance to anybody else. Each student is assumed to be familiar with the UCSD Policy on Integrity of Scholarship as described in the UCSD General Catalog. Be sure to discuss any questions about these policies with the instructor.
