Due: NEVER

Solve the following problems from the textbook. Of course, you are encouraged to do even more problems. By Feb. 11, we will have covered most of chapters 1 and 2 from the book, so you should be able to solve pretty much any problem from those two chapters. The selected problems below, together with problem sets 1 and 2, should give you an idea of what to expect in the first midterm exam.

Problem 1
Problem 1.24 from chapter 1.

Problem 2
Problem 1.25 from chapter 1.

Problem 3
Problem 1.36 from chapter 1.

Problem 4
Problem 1.37 from chapter 1.

Problem 5
Problem 2.1 from chapter 2.

Problem 6
Problem 2.11 from chapter 2.

Problem 7
Problem 2.17 from chapter 2. To solve part (b) you will need to wait till Feb. 9.
