Assignments Homework problems will be assigned on January 9, 23, and
February 13 and 27; only a selected subset of problems as indicated on
the homework will be graded. Homeworks will be due on Wednesdays
at 11:00 AM two weeks after they are assigned; you need to turn
in your solutions for the homeworks to be graded electronically by
the deadline. You can work in teams of two if you so desire on all
homeworks. Solutions to the homework problems will be covered in
the discussion sections.

Late Homeworks Any homeworks that are turned in after the Wednesday
11:00 AM when they are due and before the subsequent Friday 11:00
AM will be considered as late homeworks; no homework submissions
will be considered if turned in after Friday 11:00 AM. There is no late
penalty for the last homework. Of the remaining 3 homeworks, you
get one late homework submission with no penalty whatsoever.

Pop Quizzes There will be a number of unannounced quizzes given in lec-
tures and discussion sections. The lowest grade on the quizzes will be
dropped, with the remaining quizzes contributing equally to the 10% 
portion of your grade.

Integrity All work in any exam or quiz must be your own; you must neither
copy from nor provide assistance to anybody else. Each student is as-
tumed to be familiar with the UCSD Policy on Integrity of Scholarship
as described in the UCSD General Catalog. If you have any questions
about these policies, be sure to discuss them with the instructor.
