Midterm
What it will cover

• Everything through today.
• Content of the lecture slides
• Content of the readings
• A mix of short and long answer questions
• Some calculations
• The homeworks and the quizzes are representative.
Things to Know

- You don’t need to bring paper.
- You should bring a calculator.
- It’s closed book and closed note.
- I won’t be here to proctor the exam. It will either be one of my grad students or one of the TAs.
Review Sessions

• Thursday in class.
• Come with questions.
