Wednesday, April 19
6:00 PM - 9:30 PM
Atkinson Hall (Calit2) Auditorium

Silicon Valley Bank and CSE invite you to meet the CEOs of 9 San Diego-based companies. Each CEO will be presenting on what their company does, and you also have the chance to network one-on-one to learn more about their company’s products, values, and job/internship openings. Come meet companies that work on data analytics, firmware and distributed systems, cyber security, and full-stack software development, such as Seismic, Sensemetrics, and Verimatrix.
