Tools and Infrastructure @ Google

Join us for a presentation by a Google Software Engineer where we’ll uncover Google’s development model and engineering productivity philosophy. You’ll also learn more about what it’s like to work at Google, and how to become a successful applicant.

Food and swag will be provided - see you there!

WHEN:
Tuesday, April 18th, 2017
5:00 - 6:30 PM

WHERE:
Jacobs School of Engineering
Qualcomm Conference Center
