Life on Chrome Team

A tale of hard engineering problems

It's 2008 and you plug in your computer in your freshman dorm room. You're browsing the web, and all of a sudden windows start popping up, your bank calls you about fraudulent activity, and then to top it off, you get a blue screen of death. We've all had browsers disappoint us in life; come find out what it's like to be able to actually fix those problems.

When and Where:
October 18, 2011
5:30pm
