Microsoft Women in Technology Panel

Room: CSE 4140
Thurs, Feb. 17th
6:30 pm

Ask tough questions, Get real answers.

Join us for this panel discussion to hear from female Microsoft professionals in the software and engineering field. We’ll explore the myriad of opportunities available to women, and you’ll have a chance to ask any and all questions about life in what has often been a male-dominated industry.

Pizza, Drinks & prizes provided!
