Mid-Term 1  October 25, 2021  
Mid-Term 2  November 22, 2021  
Final  December 9, 2021, 7:00 – 10:00 PM  

Assignments  Homework problems will be assigned on October 4 and 25 and November 3 and 22; only a selected subset of problems as indicated on the homework will be graded. Homeworks will be due at 11:59 PM on October 19, November 2 and 16 (all Tuesdays) and December 3 (Friday), respectively. You need to turn in electronically your homework solutions by the deadline; any homeworks turned in after the deadline will not be read and will receive a grade of zero. You can work in *teams of two* on all homeworks. Solutions to the graded homework problems will be covered in the discussion sections, but will *not* be posted.  

Integrity  All work in any exam must be strictly your own; you must neither copy from nor provide assistance to anybody else. Any work in your submitted homework should be strictly your own (and possibly as a result of collaboration with your partner if you are working in a team of two). Any other collaboration, in an exam or homework, will be deemed improper and will result in sanctions according to the *UCSD Policy on Integrity of Scholarship*. Each student is assumed to be familiar with the *UCSD Policy on Integrity of Scholarship* as described in the UCSD General Catalog. If you have any questions about these policies, be sure to discuss them with the instructor.
