Grading

Midterm:	25%
Quizzes:	20%
Class Participation:	15%
Paper & Presentation:	40%

(Paper/Presentations by teams ~3)

Teams and Cases

Paper/Presentation Topics:

Relevant Recent
and/or Current Cases

Research and present **both** sides.
(There are two sides.)

Ethical Considerations

Legal Considerations

Social Considerations

Teams and Cases

Approximately 1/2 hour class presentation for each team.

Paper approximately 20 pages,
Single spaced, 12 pt.

The important criterion is to accurately, clearly and fairly present the arguments

Teams and Cases

1. Feel free to suggest your own case.
2. Feel free to form your own team.
3. Do not proceed without approval.
4. You can't all work on the same case.
5. Plan to work in teams of ~three.
6. Those who don't form a team and
Select a case will be assigned to a team
and a case.

Potential Cases To Examine

Felton / RIAA

Adobe / Elcomsoft

MP3.com / RIAA

Clipper

Carnivore

Magic Lantern

PGP/Export Control

Napster

(your suggestion here)

Daily Reading

Dave Farber's Interesting People List

Declan McCullagh's Politech List

The New York Times

The Wall Street Journal

Additional Reading

Code And Other Laws Of Cyberspace

Lawrence Lessig

Basic Books, 1999

The Transparent Society

David Brin

Perseus Books, 1998

Legal, Ethical and Social Issues:

(Some examples from my own experience.
Or, how did I get interested in this?)

Burglary vs. Cybercrime

Data Mining vs Human Subjects Research

Cost of worms & viruses

Unauthorized Access

The Mitnick Case
