Labs Labs are due Thursdays at 4:00 PM on the dates indicated. You need to turn in the final report and the associated LogicWorks implementation by 4:00 PM, electronically through moodle. You can work in *teams of two* on all labs. You can use the labs in EBU3B in Rooms B230, B250, and B260.

Late Labs Any labs turned in after the Thursdays 4:00 PM when they are due and before the subsequent Mondays 4:00 PM will be considered as late labs; no lab submissions will be considered if turned in after Mondays 4:00 PM. There is *no* penalty for a late lab for the **first** lab. There is **no late lab** possibility for the **last** lab. Of the remaining 3 labs, you get one late lab submission with *no penalty whatsoever*. Any other late labs will receive no credit whatsoever.

Evaluation The first lab counts as 12% with each of the remaining four labs counting as 16%. The remaining 24% of your grade will be contributed by your final.

Integrity All work in the final exam must be strictly your own; all work in any of the labs must be your own or possibly of your teammate. You must neither copy from nor provide assistance to anybody else. Each student is assumed to be familiar with the *UCSD Policy on Integrity of Scholarship* as described in the UCSD General Catalog. Be sure to discuss any questions about these policies with the instructor.
