Assignments Homework problems will be assigned on January 13, February 10 and March 3; only a selected subset of problems as indicated on the homework will be graded. Homeworks will be due at 4:00 PM on January 28, February 25, and March 14, respectively; you need to turn in your solutions for the homeworks to be graded electronically by the deadline; any homeworks turned in after the deadline will not be read and will receive a grade of zero. You can work in *teams of two* on all homeworks. Solutions to the homework problems will be covered in the discussion sections.

Quizzes A number of *unannounced* quizzes in lectures and/or discussion sections will take place. The lowest grade on the quizzes will be dropped, with the remaining quizzes contributing equally to the 10% portion of your grade.

Integrity All work in any exam or quiz must be your own; you must neither copy from nor provide assistance to anybody else. Each student is assumed to be familiar with the *UCSD Policy on Integrity of Scholarship* as described in the UCSD General Catalog. If you have any questions about these policies, be sure to discuss them with the instructor.
