Team Peer Evaluation Form

With the project report for each assignment, you should submit a single copy of this form for your whole team, after discussing within the team how your team worked together and what to write on this form.

(1) Give the names of your team members:

A:

B:

C:

(2) Fill in the table below for each team member. Scores may range from 0 to 10 where 0 is absolutely unacceptable, 5 is acceptable, and 10 is outstanding.

Try to be thoughtful and honest in assigning scores. Most people have strengths and weaknesses, so typically for the same characteristic, each team member will deserve a different score. Conversely, each person will usually deserve varying scores for each characteristic.

	A	*B*	*C*
initiative			
dependability			
quality of work			
amount of work			

(3) Estimate how much time each team member devoted to this project.

	A	*B*	*C*
hours in meetings			
total (including meetings)			

(4) On an attached page, using a word processor, describe in about one page (a) what the major responsibilities of each team member were, (b) the major successes and failures in how your team worked together, and (c) the lessons learned from these events.
