

## ISCA Travel Grant Form

SIGARCH, TCCA, and the ISCA Industry Sponsors are providing a significant amount of funds for travel grants for student members of SIGARCH and/or TCCA to attend ISCA 2006. Funds can be requested to cover transportation and lodging (limited to travel and hotel from June 8th – June 13th). Meals and symposium registration will not be funded (they are already greatly reduced thanks to ISCA Industry Support). Applications must be received by the deadline - applicants are encouraged to submit via email.

To apply for a grant, fill in the form below and email or snail mail to:

Matthew Farrens (farrens@cs.ucdavis.edu)  
Department of Computer Science  
1 Shields Avenue  
University of California, Davis  
Davis, CA 95616-8562 USA

Name of student \_\_\_\_\_ University/College \_\_\_\_\_
