

**Student IA Evaluation for Chen Chen
Wireless Embedded Systems Program**

WES 237A - Intro to Embed Sys Des (Weibel, Nadir)
Winter 2024

Number of Evaluations Submitted: 7
Number of Students Enrolled: 12

1. Please describe this person's greatest strengths as a Instructional Assistant.
Please keep your comments constructive and professional, abiding by the Principles of Community

- Chen has a great way of running the lab. He is professional and always prepared. He presents a lecture before the lab to make sure we understand what the lab assignment is and the topics we need in order to complete the assignment.
- Great assistant. I really liked the way he explained everything and went out of his way to help students.
- TA both were doing great job putting material together in an organized way and provide supplementary assistance .
- The in person assistance and general availability to assist with homework assignments

A very good understanding of the material and when to stop a student from working outside the scope of an assignment (for time reasons)

- very helping supportive, email prompt responses and well prepared with the material and presentation
- Very supportive, smart, likeable

2. Please describe this person's greatest weaknesses as a Instructional Assistant.
Please keep your comments constructive and professional, abiding by the Principles of Community

- I cannot think of a weakness. He is doing a good job and provides as much help as he can.
- N/A.
- no weaknesses

- printed material referenced other printed material which was difficult to keep track of

3. Please detail other characteristics of the Instructional Assistant (if applicable).

Please keep your comments constructive and professional, abiding by the Principles of Community

- I really appreciate how Chen goes out of his way to answer all our questions and makes sure the whole class is caught up and understands the same.
 - None, he was amazing!
 - smart and helpful
 - very helping supportive, email prompt responses and well prepared with the material and presentation
 - Very very helpful in and out of office hours
- very passionate about his topic
- always working hard for his peers

4. I would recommend this Instructional Assistant to other students.

7 (100.0%): Strongly Agree
0 (0.0%): Agree
0 (0.0%): Neither Agree Nor Disagree
0 (0.0%): Disagree
0 (0.0%): Strongly Disagree

5. Do you have any other comments to add to your evaluation?

Please keep your comments constructive and professional, abiding by the Principles of Community

- Chen is very knowledgeable, helpful and a supportive TA. I hope to have him again.
- keep up the good work and thank you very much for great course
- Nope, Chen was great!
